KIXX Martial Arts Club - Update for April

The Club has opened for limited use and we are pleased with the response from our members. The pre-booking system is working well for classes (Zoom), individual gym use and 1-2-1 training sessions.

KIXX Martial Arts - REFURB

We are very pleased to announce some changes and updates to our Club reception area. The changes will bring a new and exciting look to the Club. Dan and Liam from PYRA Property Services have done a great job with the redesign and redecoration of the once 'tired' looking entrance.
