KIXX Martial Arts Maidstone

We would like to thank everyone for making the first Fight Club in approx 18 months such good fun. The next Fight Club has been planned for Saturday 18th September. Only pre-booked attendance will be permitted. Please bring your own equipment as you are advised not to lend or borrow kit.

## KIXX Martial Arts Club - Kids Qingda

Despite the holidays the Tuesday Kids Qingda Sparring class has been very well attended. All of the children are finding their stamina and skills again after such a long break. We have a couple of new members to the class and although they are finding it challenging, they are progressing quickly.

## KIXX Martial Arts - Wuzuguan Pushing Hands

We were pleased to welcome guests to our club on the 22nd August for a Wuzuguan based Catching and Pushing Hands exchange / forum. Thank you to Dave and members of his group for attending and for the high level of interest shown. We are all very much looking forward to the next opportunity to get together...

Thanks to KIXX students Steve and John (Folks) for their assistance throughout the day.
